FORMAL ENTRANCE

Of Senator Jas. B. McCreary
Into the Race for United States Senator.

CARD TO THE VOTERS.

Candidate For Re-Election
In Coming Democratic Primary.

TO THE DEMOCRATS OF KENTUCKY:
I have in various newspaper interviews declared my candidacy for United States Senator, and I now, over my own signature, submit to you my candidacy for the nomination as United States Senator according to the plan announced by the Democratic Executive Committee of Kentucky.

For the honor conferred upon me in 1902, when I was elected United States Senator, I am sincerely grateful. I have tried to be faithful, efficient, and the manner in which I have discharged my official duties leave to the unprejudiced judgment of the people of Kentucky.

I have always been in favor of primary elections fairly and legally held, and I have always been opposed to bosses or machine rule. When I was first a candidate for United States Senator the other candidates and myself agreed to a primary election to be held two months before the election of United States Senator by the General Assembly, but the State Democratic Committee did not do it for the best interests of the Democratic party, and refused to order a primary election.

The proposed primary election is ordered to be held many months earlier than any primary election to nominate either State officers or United States Senator was ever held in Kentucky or in any other state. For many years primaries or conventions in our State to nominate for State officers have been held in May or June of the year in which the candidates nominated were to be voted for at the November election, and it has been heretofore believed that said primaries should not occur when presidential or congressional elections are held, so that national or State issues would be separated.

The primary election ordered to be held on the 6th of November will occur on the regular election day, when representatives in Congress will be elected, and this primary election was called eighteen months before the election of a United States Senator by the General Assembly, and two years and eight months before the Senator elected can take his seat in the United States Senate, and candidates for State offices will be nominated twelve months before they can be elected, the call for a primary to nominate them so early is in violation of the rule adopted by the Democrats at the last State convention in 1904.

The success of the Democratic party should be paramount to the success of the individual, and governing authorities of the Democratic party should act for the benefit of the whole Democratic party and not for the benefit of a few Democrats.

The outlook for Democratic victory in the next national election is brighter than it has been for years and becoming more favorable every day. Kentucky Democrats must give no aid to "rule or ruin" politics, but uphold wise and just policies that will keep Kentucky in the Democratic column with an increased Democratic majority.

I have perfect confidence in the Democrats of Kentucky, and I willingly and gladly submit to their judgment and their action in my aspiration for the second term in the United States Senate.

I have always been a faithful, loyal Democrat, and I have worked and made speeches in every campaign in our State for thirty years, and I have always been in office

given all my time to the faithful discharge of my duties, and when our state had been Republican for several years, and I was requested by the Democratic authorities to take charge of the campaign in 1900, I managed the campaign, visited many of the counties and organized and made speeches, and with the aid of my brother Democrats we redeemed the State from Republican rule and gave a majority to our candidate for Governor and our candidate for President.

Precedents are not lacking in Kentucky for giving to her Senators whose services have proven satisfactory, second and third terms, and as Democrats have not objected to or criticised my record I am asking for an endorsement.

Legislation of important questions and the great issues now before our country concern the welfare of the people more than ever before, and I trust my experience and my investigation make me better equipped for faithful and efficient discharge of my duties if I am re-elected.

The Democratic majority in Kentucky is strong, both political parties vote their full strength, and majorities in recent years, as compared with those twenty-five years ago, admonish us of the necessity of earnest and united party action. Every Democrat who participates in the primary election should endeavor to strengthen his party and help to elect a Democrat for Senator at the regular election by contributing to the campaign on a high-toned basis, and seeing that every candidate has justice and fair play, and that an honest primary is held and every vote counted as cast.

Respectfully,
JAS. B. MCCREARY,
Kingsland, Ky., June 28, 1906.

Democratic Ticket.

FOR CONGRESS,

A. O. STANLEY,
OF HENDERSON.

Senator G. W. Hickman, of McLean, has decided not to be a candidate for Lieutenant-Governor. He is one of the ablest and most popular young Democrats in the State, but unfortunately is not a man of wealth, and it takes money to run for office.

Senator W. B. Allison has broken all records for long service in the Senate, having been Senator from Iowa nearly 34 years.

The trial of Harry Thaw will not come off in New York until October.

FIRST ACCIDENT.

**Yard Master of the L. & N.
Shot by a Torpedo.**

Yesterday morning about 8 o'clock Yard Master E. T. Cofer was shot through the calf of his right leg by the discharge of a torpedo. The torpedo was of the kind used by trainmen and was placed on the track by some boys who were out to enjoy the glorious Fourth. It is not known how the boys got hold of the torpedo. Not knowing the danger to themselves or others in placing the torpedo on the track, they just did it "for fun and to see the thing go off." When the engine came slowly up the track the yard master, who was near the torpedo but did not know of his danger, received the matter projected by the discharge of the torpedo in the calf of his leg. The matter bored a large hole through the leg and Mr. Cofer is suffering greatly from the wound. Medical aid was promptly summoned and the wound dressed. Mr. Cofer will have to remain at home for several weeks before he will be able to be out again.

There is more catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors thought it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires a constitutional treatment. His Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer a hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address:

HONOR OF JIM CABANISS

Mrs. Emily B. Perry Entertains Old Musical Club.

The musical reception given by Miss Emily B. Perry Friday evening in honor of Mr. Jas Y. Cabaniss, of Evansville, Ind., proved to be a thoroughly enjoyable affair. In 1882 when Mr. Cabaniss lived in this city he was at the head of a musical club that included all of the best singers in this city. The club used to meet every week, often at Miss Perry's, and sang the popular airs of the day. The club has long since been disbanded, but many of its members are still here, though some of them are twenty-four years ago. The meeting Friday night was intended to be a reunion of the club members and a few other friends of Miss Perry.

The evening was a delightful one. Mr. Cabaniss has changed but little by the lapse of years and he sang with old-time gusto a dozen or more of songs that used to be sung. Miss Perry has carefully preserved the same music the club formerly used and the choruses included several of the former singers.

The guests present were Mr. and Mrs. Bailey Waller, Mr. and Mrs. T. C. Underwood, Mr. and Mrs. Chas. M. Meacham; Mesdames Susie Sites, Lizzie Gish Seagren, Sallie Richards, Lizzie Waller Chaten, J. H. Anderson, C. H. Dietrich, E. P. Russell, Geo. Koller, Misses Mary McPherson, Lucy Whitlock; Mrs. Stuart and Mrs. Kate Henry.

Refreshments were served, consisting of ices, cakes, fruit, etc. The guests did not disperse until after 12 o'clock, when "my Old Kentucky Home" was sung by all.

New York Life.

Hopkinsville, Ky., April 30th, 1906.

Mr. Walter F. Garnett, Agent,

New York Life Insurance Co.,

Dear Sirs—

It gives me pleasure to acknowledge receipt of statement of optional settlement on 20-Payment Life Policy, No. 223,593, for \$1,500.00, issued at age 35, with premium of \$52.50, taken out with you Apr. 28, '06. After having been insured for 20 years, I am desirous of cashing up policy for \$1,500 and a dividend of \$1,215.85, or on total value may be withdrawn in cash \$1,215.85, (which is more than I have paid in the 20 years) or a fully paid up policy payable at my death for \$2,219.00.

The cash settlement of \$1,215.85 is equal to Term Insurance at \$12.87 per \$1,000 and an investment of the balance of premiums with 5% per cent. compound interest for twenty years. This showing is certainly a creditable one for the New York Life, and I will be pleased to give you my application for \$1,000 on the Ordinary Life plan.

Yours very truly,

C. E. WEST.

City Assessment is Nearly \$3,000,000 This Year.

Large Men. Stout Men.

Men who think they are hard to fit because they are out of the ordinary--can dress as neatly and becomingly as the most perfect tailor's model.

Inexpensively? Yes, extremely so. It's not the price that makes the fit; it depends entirely on the design and tailoring. Schloss Bros. & Co., of Baltimore and New York, are known the world over as Specialty makers of fine Ready-to-Wear Garments. They have made a study of draping large, stout men and men out of the ordinary proportions.

What we mean by "draping" is not merely "dressing," or "clothing." We mean fitting them perfectly in garments particularly designed to moderate where nature has been profuse and to fit out where nature has been deficient.

Kidney Troubles May Be Sapping Your Life Away—Hopkinsville People Have Learned This Fact.

When a healthy man or woman begins to run down without apparent cause, becomes weak, languid, depressed, suffers backache, headache, dizziness, etc., and urinary disorders, look to the kidneys for the cause of it all. Known the kidneys well and they will keep you well. Doan's Kidney Pills cure kidney diseases. Here is Hopkinsville testimony to prove it:

James A. Twyman, brick mason, 1208 Main Street, Virginia St., says: "Orders of the doctor were right on in my case so sharp and continued so long that I could not rest comfortably at night and arose in the morning lame and sore. I was tired and worn out from morning to night. I had a bad secretion, very irregular, high-colored and scalding and deposited a heavy sediment if allowed to stand. I had no energy left and felt generally run down. I was feeling worse than usual when my attention was attracted by an advertisement of Doan's Kidney Pills and I wrote to Box 1, L. A. Doan's drug store and began using them. In a few days I noticed that the secretions had assumed a natural appearance and the pain and aching had been greatly relieved and by the time I had completed the box there was no more trouble. I am now completely cured and Doan's Kidney Pills will be my friends for life."

A traveling salesman arrived at home about three in the morning to discover that his wife had given birth to triplets. He was delighted almost beyond control of himself. "My," he said, "I just go to bed in and wake up Dooley." Dooley was his next-door neighbor, and a dog-fancier. He pulled Dooley out of bed to get him to help him care for the new babies, about half awake, and stood him before the triplets. "Aren't they dandies?" he asked Dooley gazing at them in a semi-drowsy state, and still rubbing the floor board with his foot. "Yes," he said, "they're all right. Looks Against Them.

When Representative Smith of Iowa was a fledgling attorney he was anxious to make a reputation for the bar in the criminal court in Iowa, but he was not represented by a lawyer. When he was trying his first case he approached the prisoner. "I have none," responded the prisoner. "Why haven't you?" "I have any money with which to pay a lawyer," said the jailor. "There is Walter I. Smith, George Green, James A. and John C. Alexander, and Mr. Alexander is out in the corridor." The prisoner eyes the jailor, waiting for something to turn up.

"And Mr. Alexander is out in the corridor." The prisoner eyes the jailor, and after a critical survey stroked his chin and said: "W. A. I. guess I will take Mr. Alexander."

THE FOURTH

More Generally Observed Than For Many Years.

STORES WERE CLOSED.

Picnics, Bran Dances, Base Ball, Fireworks, Etc., Indulged In.

Yesterday was a great Fourth. The grocer men and dry goods men, for the first time "within the memory of the oldest inhabitant," closed their stores and took a day off for fun and recreation. The banks, of course, were closed as well as the postoffice. The mechanical departments of the Forbes Manufacturing Co. followed suit, as well as Contractor Lucian Davis.

AT CAMPBELL'S CAVE.

The tobacco men, bankers and a few business men gave a "stag" barbecue at Campbell's Cave. The number was limited to about twenty-five. Mr. J. P. Thompson was the manager of the affair, and under his direction the gentlemen who were instrumental in getting up the barbecue and the invited guests had a magnificent time. Barbecued lamb with the usual accompaniments were served in excellent style, and the occasion, like the many annual outings of the business men was highly enjoyed.

At the Asylum.

The spread on the asylum grounds was a huge success. Beside the officers and attaches of the institution there were a number of guests from the city. Superintendent Jas. Brearley, the chief dignitary, and through whom the invitations were sent, was equal to the occasion and was congratulated on his excellent management. Barbecued meat and many toothsome articles were served in excellent style. Impromptu speeches mixed in with new and laughable jokes added much to the pleasure of the day.

Sadler's Grove.

There was a large gathering at Sadler's Grove, many people from the city being present. The Western Kentucky soldiers made preparations weeks ahead to observe the Fourth in an appropriate manner and arranged the following program:

Song Choir
Prayer Dr. J. McCorl
Oration W. T. Fowler
Drill by Co. D. Military C
Recitation Miss Carrie Johnston
Dinner Recess to 1:30 p. m.
ELECTION OF OFFICERS.

Song Choir
Oration Jas. Breathitt, Jr.
Recitation Miss Mary Underwood
Recitation Pearl White
Recitation Cudy White
Recitation Willie White
Recitation Johnnie Renshaw

Judg Polk Candler gave the history of Company G, 17th Kentucky Infantry.

Skirmish Drill Military C
Benediction.

At Crofton.

Crofton is always heard from on Independence Day, and she never does anything in a small way. It was indeed a big day with the Croftonians. Everybody seemed to be trying to get the most out of the occasion. They had one of their old-fashioned bran dances, and there was plenty to eat for everybody on the ground and everything so far as heard went off merrily.

At Colored Park.

The propensity for the colored population for "observing" manifested itself in various ways. At their park at night they enjoyed themselves in quite a number of ways, the display of fireworks was probably the most enjoyable feature.

The Fans Out.

Lovers of the national game were strongly in evidence at Mercer park to witness some fine playing. Whilst there was really nothing worthy of especial mention, the crowd entered into the games with an interest that showed a desire for the formation of another league. If it is not too late in the season there are many men, as well as ladies, who would be glad to have Hopetown into a league, and the right man to get it up would meet with liberal encouragement no doubt.

BARBECUE

And Old Time Fiddlers' Contest at Cerulean Springs Saturday.

A GOOD TIME FOR ALL.

About Twenty Fiddlers Expected to Take Part in the Affair.

Don't forget the barbecue at Cerulean Springs next Saturday. Capt. Pool, the genial proprietor of the popular hotel, is going to give everyone a chance to have a good time that day. An important feature will be the chance to give to all for the mere pittance of 25 cents of indulging in a regular old-fashioned barbecue dinner. He knows all about how the meats should be prepared, and guarantees the everything will not only be "done to a turn," but heated and flavored to a nicely.

During the day there will be an opportunity of participating in an old Virginia reel. The guests of the hotel, who have never seen this old amusement are anxious to witness the dance they have read so much about, and Capt. Pool has gotten up this night's program for their special benefit as well as others who have heard and read of it, but have never seen it.

Capt. Pool has also arranged a contest in making the best fire. This will take place at night in the dining room, which will be brilliantly lighted with acetylene gas, and provided with seats for all who attend. The meal will be enclosed, but it will only cost adults 25 cents and children 15 cents to eat inside to enjoy the music. The contest will be conducted by Mr. W. F. Randles, who is recognized as one of the best boilermakers of his kind in this end of the State.

The contest will be a war of words and will prove one of the most enjoyable entertainments given at Cerulean in many a year. Besides the large attendance of the people of the neighborhood, it is expected that a crowd will go from here and other places along the line of the railroad. Something like twenty fiddlers are expected, among whom are several of this city.

In noting the marriage of Mr. Edward Morris of Lafayette, at Dallas, Texas, this true mate of "Joseph" Fuqua, when it should have been "Jasper" Fuqua.
